

# CMC FAMILY MINISTRIES REOPENING PLAN

After prayerful consideration and continuing to monitor updates and recommendations from our authorities and health officials, we will resume CMC Kids and CMC Students on Sunday mornings on Sunday, August 2nd.

Beginning on Sunday, August 2nd, CMC Kids and CMC Students will only be available on Sunday mornings during the 11:00 service until further notice.

We will continue to offer two Sunday morning worship services at 9:00 and 11:00. Our 9:00 service will continue to be a family-style worship service as there will be no CMC Kids classes offered during this hour.

During this time, we will be implementing additional safety protocols and recommendations in our CMC Kids and CMC Students areas to create the safest environment possible for our children, students, leaders, and volunteers. Please read below to see our full list of safety protocols and recommendations that we will be implementing beginning on Sunday, August 2nd until further notice.

## 1. Check-In

CMC Kids and CMC Students will continue to check-in. For CMC Kids, there will be a designated CMC Kids Check-In at the desks in the South Lobby. Children and students must be checked in. CMC Kids areas will open at 10:40 am on Sunday mornings to begin the check-in and screening process.

## 2. Screening

Upon check-in, children and students will be screened by being asked two questions:

- (1) Has your child/student or anyone in your household been exposed and/or tested positive for COVID-19 in the past 2 weeks?
- (2) Has your child/student displayed any cold, flu, strep, or COVID-19 symptoms in the past 72 hours?

## 3. Temperature Checks

There will be temperature checks upon entering these areas.

*Unfortunately, if a child/student answers "yes" to at least one of the screening questions and/or has a temperature of at least 100.4° F, we will not be able to allow them to enter into our CMC Kids/CMC Students areas.*

## 4. Masks

During this time and in these areas, masks or face shields will be strongly encouraged to be worn.

## 5. Drop-Off/Pick-Up (CMC Kids)

In CMC Kids areas, there will be designated child drop-off and pick-up locations. When picking up your child(ren), please bring your guardian receipt. We also ask that only one parent/guardian (and no siblings that are not a part of the specific CMC Kids areas) enter the CMC Kids areas for drop-off and pick-up.

These added safety protocols and recommendations are being added in an effort for us to create and maintain the safest environment for our children, students, leaders, and volunteers. We will continue to monitor updates and recommendations from our authorities and health officials to make any adjustments to these protocols and recommendations as necessary.
