WEDNESDAY NIGHTS

6:30pm

We live in a world where we are bombarded with information, and it's an amazing thing but also dangerous. It means that we must be established on what we believe and why we believe. We think it's a problem that the church might have to turn to Google to answer questions about the Bible and who Jesus is. We want to be a church that is established on Christ. To be established on Christ, we must be established on His teachings. We must understand the core doctrines of Christianity and why we believe what we believe.

On Wednesday nights at 6:30, we invite adults of all ages to join us for Established where we will look at the core doctrines of Christianity. We will have large-group teaching and round-table discussions to dive deeper into why we are established on Christ.
